

NEARSHORE LOCATION

How we work is as important as where we work. Our world-class call center facilities are strategically located in Tijuana, Chihuahua and also in Mexico City.

Our core business is to help you establish a high-performing yet cost-effective “nearshore” Contact Center in Mexico.

ABOUT US

We are an experienced, well established Telemarketing Force that can handle all your Call Center Oriented Business needs.

United Specialists provides a nearshore “Low-Cost” solution for your call center needs. This is not Outsourcing, rather your satellite facility becomes an extension of your existing operation and is managed by your U.S. team as part of the overall workforce strategy.

Our core business is to help you establish a high-performing yet cost-effective “nearshore” Contact Center in Mexico.

Our agents are fully bilingual, bi-cultural, well educated and have expertise in a wide array of business functions such as Debt Collection, Customer Service, Sales, Order Processing, etc.

OUR SERVICES

We specialize in providing your business with talented staff that can handle your Sales, Customer Service or Internal Processes at a low cost.
